## Graduate Registration Deadline

Registration for graduate terms closes 14 days prior to the term start date. **Please ensure you contact your Campus/Advisor to request registration prior to the deadline.**

The graduate courses are going through a conversion from 15 and 12 weeks to 9 weeks. It will take some time before all the graduate courses are converted. **Please note that in addition to the changes to the term lengths the number of graduate terms being offered will be reduced from six terms per year to five terms per year.**

We recognize that our current graduate students have become accustomed to having six terms a year that start on the 7th day of those months. However, with the above changes the course start dates will vary beginning with the August 2009 term. Please be sure to check this listing as well as the course schedule on a frequent basis so that you do not miss the enrollment deadlines and know the appropriate drop and withdrawal dates.

*It is advisable to register a minimum of 30 days before the term start date. By registering early you are more likely to reserve a place in the class.*

15 WEEK TERM					
Term	Registration Deadline	Start	Drop	Mid Point	End Date
09/S3	2/22/2009	3/7/2009	3/13/2009	4/28/2009	6/19/2009
