Open Electives	15	15	0
Any undergraduate non-duplicated courses		15 ⁸	
Total Credits Required: Bachelor of Science Degree	120	60	60

NOTES:

1. This degree will require no more than 60 SH to be taken with ERAU-Worldwide toward the declared AU-ABC program for students who have met the CCAF graduation requirements. For credit evaluation of courses taken at other academic institutions (not listed above), students should submit official transcripts with their admissions application. All previously earned credit (ERAU and otherwise) will be taken into consideration for course exemption decisions. After initial evaluation, no more than 60 additional ERAU credits will be required for completion of a Category I program.
2. Even though transfer credit is awarded for a specific ERAU course as part of the Agreement, no assumption may be made that credit is awarded for any ERAU prerequisite course(s) unless the prerequisites are specifically part of this Agreement. A grade of "C" or better is required to be accepted as transfer credit.
3. English Composition - ENGL-123 - Transfer credit may be awarded, or these courses may be required if no transfer credit is present. If transfer credit is not awarded no more than 60 SH will be required to complete the degree program.
4. Physical/Life Science Elective – may be awarded for any MET 1000-2000 level course or PHY1422 course meeting this requirement. If this transfer credit is not present 3 SH of Physics/Biology/Meteorology courses may be required, but no more than 60 SH will be required to complete the degree program.
5. Math Courses – MATH 111, STAT 211, STAT 222 - Transfer credit may be awarded, or these courses may be required if no transfer credit is present. If transfer credit is not awarded no more than 60 SH will be required to complete the degree program.
6. Computer Courses – CSCI 123 & MGMT 221 – Transfer credit may be awarded, or these courses may be required if no transfer credit is present. If transfer credit is not awarded no more than 60 SH will be required to complete the degree program.
7. Management Course -MGMT 317 - Transfer credit may be awarded, or this course may be required if no transfer credit is present. If transfer credit is not awarded no more than 60 SH will be required to complete the degree program.
8. Elective Hours provided may be adjusted depending on the amount of transfer credit awarded for General Education & Core Requirements in addition to previous ERAU credit awarded. If transfer credit is not awarded no more than 60 SH will be required to complete the degree program.
