COURSE #	COURSE TITLE																																								
	<b>Emergency Services</b>																																								
ESVS 201	Fire-Related Human Behavior																																								
ESVS 301	Community Risk Reduction for the Fire and Emergency Services																																								
ESVS 302	Fire Dynamics																																								
ESVS 303	Fire Protection Structures and Systems																																								
ESVS 304	Fire Investigation and Analysis																																								
ESVS 305	Fire Prevention Organization and Management																																								
ESVS 400	Analytical Approaches to Public Fire Protection																																								
ESVS 401	Applications of Fire Research																																								
ESVS 402	Fire and Emergency Services Administration																																								
ESVS 403	Disaster Planning and Control																																								
ESVS 404	Managerial Issues in Hazardous Materials																																								
ESVS 405	Personnel Management for the Fire & Emergency Services																																								
ESVS 406	Political and Legal Foundations of Fire Protection																																								
ESVS 480	Adv. Principles in Fire & Emergency Services Safety & Survival																																								
GNED 103	Basic Mathematics																																								
GNED 104	Basic English																																								
GOVT 320	American National Government																																								
GOVT 325	International Studies																																								
GOVT 331	Current Issues in America																																								
GOVT 340	U.S. Foreign Policy																																								
GOVT 363	Inter-American Relations																																								
GOVT 401	American Constitutional Law																																								
GOVT 402	Globalization and World Politics																																								
HIST 130	History of Aviation in America																																								
HIST 302	Evolution of Scientific Thought																																								
HLSL 110	Introduction to Homeland Security																																								
HLSL 215	Introduction to Industrial Security																																								
HLSL 280	Professional Skills in Homeland Security																																								
HLSL 290	Introduction to Environmental Security																																								
HLSL 315	Critical Infrastructure Sec., Resilience, & Risk Analysis																																								
HLSL 320	Homeland Security Law & Policy																																								
HLSL 360	Strategic Planning & Decision Making in Homeland Security																																								
HLSL 405	Emergent Topics in Homeland Security																																								
HLSL 410	Exercise Design & Eval in Homeland Security																																								
HUMN 142	Studies in Literature																																								
HUMN 210	World Culture
